### **PENACOOK VILLAGE IMPROVEMENTS**

This past week, F.L. Merrill Construction removed the curbing and sidewalks in preparation for the reclaiming/grading/paving operation. The aerial utility lines are now gone and the utility poles have been removed. The electrical contractor has completed the underground conduit installations and will begin to install the light pole bases and pull boxes in the coming weeks. Next week, Village Street, from Merrimack Street to the Bos-cawen town line, will be reclaimed and paved. This operation will consist of grinding up the existing pavement while blending it with the underlying gravels, grading and compacting the new road base, followed by placement of the new pavement. The intersections at the side streets along this section will be reclaimed and paved at the same time including Merrimack, Summer, Charles, Sanders, Tanner, Canal and Elm Streets. There will be no parking on Village Street within the work area during the reclaim and paving operations, and limited parking outside of the work hours. Parking will remain available on the bridge, as well as in the City parking lots at Poulin Park, Boudreau Square, Tanner Street and Canal Street. Businesses will remain open and accessible to pedestrian traffic at all times via the sidewalks. Commuters can expect major delays the entire week and should seek alternate routes.

### **BOYS AND GIRLS CLUB PROJECT**

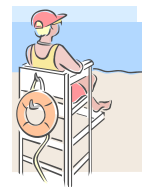

The Boys and Girls Club project on Bradley Street is nearing completion. The pavement courses on the basketball court and roadway were finished on May 29th; striping on Bradley Street and the parking lot was completed on June 2nd; and all of the landscaping is done. The only remaining component to complete is the painting and striping of the basketball court. The contractor is anticipated to be on site the week of June 16th to complete that task.

### **PUBLIC MEETING: CITY-WIDE COMMUNITY CENTER**

A public meeting will be held on **Tuesday, June 24th**, at **7:00 PM**, at the former Dame School / Interim Heights Community Center. The purpose of the meeting will be to review and confirm the findings of the 2011 Community Center Feasibility Study, including the preliminary space program for the project; and to determine if any changes in the community have occurred since 2011, which might warrant modifications to the 2011 space program or anticipated programmatic offerings. All are welcome and encouraged to attend.

### **LIFEGUARDS NEEDED**

The Parks and Recreation Department is looking for lifeguards to fill both full-time and part-time positions. Applicants must be 16 years of age or older and either have their lifeguard certification or be willing to obtain one. Anyone certified as a Lifeguard in 2014 that is hired by Concord Parks & Recreation will be issued a refund of 50% off their certification cost. Visit [www.concordnh.gov](http://www.concordnh.gov) to complete an on-line application. For more information, call the Parks & Recreation Department at 225-8690.

### PARALLEL TAXIWAY CONSTRUCTION

Continental Paving has completed base paving the eastern portion of the new parallel taxiway at the Concord Municipal Airport. Next week, they will install taxiway signs and lights. Also next week, F.L. Merrill Construction will be installing drainage sub-base and electrical conduit within the safety area of Runway 17/30. This work will occur at night, between the hours of 7:00 PM and 7:00 AM, Monday through Thursday. Runway 17/30 will be closed during those times.

### PAY-AS-YOU-THROW TRASH BAG CONTEST

The General Services Department held a Pay-As-You-Throw (PAYT) trash bag contest in association with their first annual Trash & Recycling brochure in an effort to gain Newsflash subscribers on the City website. All new and existing subscribers to any of the three General Services Newsflash topics were entered for a chance to win a roll of 30-gallon PAYT trash bags. The contest began on April 12, 2014 and ended on May 31, 2014. A total of 437 new subscribers were gained from the contest, which brings the total number of General Services Newsflash subscribers to 1,130. Congratulations to the five contest winners and thank you to each new subscriber!
